

When is the renewal deadline?

April 22

Can I add an extra seat to my subscription?

We can note a request at this time and contact you if there is availability.

When will I get seating and other subscription information?

We communicate with renewed subscribers via email as we complete subscriber seating and fulfillment. We anticipate contacting renewed subscribers in late summer with seating/exchange requests, subscription dates, ticket mailings and related subscriber information.

How do I buy tickets to added attractions (non-subscribed shows)?

Visit denvercenter.org and click on "My Account" at top. Log into your subscriber account. Once logged in, click on "Visit Subscriber Central" then click "Buy Tickets to 18/19 Shows" on the left side of the screen. Note: Subscribers are only able to purchase extra tickets from the account linked to the subscription.

Can I reset my password online?

Yes. Visit <https://tickets.denvercenter.org/Online/login.asp>, enter your user name and click on "Forgot your password." Keep in mind that you're locked out after three unsuccessful login attempts.

I'm locked out of my account. Now what?

If you've been locked out after three unsuccessful attempts to log in, call our Box Office at 303.893.4100.

Are group sales available for 18/19 shows?

Group sales are not yet available. Please call Group Sales at (303) 446-8429 to make a request, and a Group Sales agent will follow up when groups are able to be seated.

When will single tickets go on sale?

The single ticket on-sale date will be announced this summer.
